

Grades Won't Save

- Cross Reference is incorrect.
 - PB Admin Home Page, Grading Setup, Cross Reference (by Building)
- External Reference Mappings in Report Card/Interim are missing
 - In the report card builder, under assessments, the external references should be connected. This allows the marks to move to DASL. Please test the mark by opening the reporting period bucket, enter a mark, save. Verify the mark saves in ProgressBook and is also reflected in DASL. Delete the mark, save.
